FROZEN FOODS DIVISION

Frozen foods are becoming an integral part of our everyday life because of the simplicity and convenience they offer.

Our frozen foods operations involve the production and sale of goods including snack foods, everyday dishes, Italian foods, and tempura. Our subsidiaries Niigata Elite Food Co. and Fukushima Elite Food Co. manufacture the foods, making use of Showa Sangyo's own selection of ingredients, such as flour, premixes, and vegetable oils, as well as processing technologies. These high-quality products are widely used as commercial frozen foods because of their taste, nutritional value, and safety. The products allow smaller establishments, such as bars and karaoke lounges, to serve a varied menu.

Snack foods: We offer an assortment of products such as taiyaki, takoyaki, imagawayaki and okonomiyaki. Our snack foods, in their pleasing flavor and high quality, reflect the technology and experience we have acquired as a comprehensive food manufacturer.

Everyday dishes: We boast a varied selection of products including delicatessen meats, such as chicken cutlets, fried liver and fried chicken, and foods such as wontons.

Italian foods: Our Italian dishes, such as ravioli and cannelloni, make it possible to easily serve authentic Italian cuisine.

Tempura: For our tempura, we carefully select the freshest ingredients and then add our own renowned tempura flour and salad oil. Our tempura maintains its crispy texture and appealing flavor even after restaurant preparation and has a strong reputation for consistent high quality.
